

The Mekong Club Tool List

The Mekong Club releases new tools every year, with the aim of helping companies address modern slavery more efficiently. Each tool has been developed with businesses for businesses, following an engagement process with sector-specific or cross-sector working groups.

Each of the five clusters below address specific goals within a company's anti-slavery strategy. Explore tools and initiatives within each of these cluster by browsing our page: www.themekongclub.org/our-tools.

Note: The tools that are “Members-Only” are offered to companies that formally join our Association. Membership with the Mekong Club costs 7,000 USD/ year. For more information, please follow [this link](#) and [contact us](#).

ACTION CATEGORIES

A summary of the tools available for each category is offered in the next pages.

1. Understand Modern Slavery

Start by learning about what modern slavery is, why it still exists, what risk it poses, and how the private sector has the power to make an impact.

❖ Invite an Expert

Invite one of our modern slavery experts to come to your place of work and deliver a 60-90-minute tailored talk on the topic. This is a free resource.

[Invite an Expert Overview](#)

❖ Modern Slavery: An Introduction

Get an understanding of the fundamental principles of modern slavery by reading our introductory guide. This is a free resource.

[Introductory Guide](#)

❖ Modern Slavery: Watch and Learn

Watch and learn about modern slavery with our short videos and infographics. Jump in and out, or take our quizzes and receive a certificate once the e-learning course is complete. Multiple languages are available. This is a members-only resource.

[Modern Slavery: Watch & Learn Overview](#)

❖ Knowledge Hub

Delve deeper into the topic of modern slavery by searching archived news articles, blogs, websites, and more. This is a members-only resource.

[Knowledge Hub Overview](#)

❖ Private Sector Assessment Research

Learn about modern slavery research and private sector engagement in select Asian countries. This is a free resource.

[Private Sector Assessment Reports](#)

❖ Using Blockchain to Combat Modern Slavery

This booklet introduces the application – and limitations – of blockchain technology in the fight against modern slavery. This is a free resource.

[Using Blockchain to Combat Modern Slavery](#)

2. Enhance Policy and Procedures

Develop a framework for your company to address modern slavery.

❖ Transparency in Supply Chains Compliance Tool

Understand modern slavery legislation and how it affects your company by navigating our flowcharts. This is a members-only resource.

[TISC Compliance Tool User Guide](#)

❖ Hospitality Compliance Checklist

Use the checklist to understand the risks and remedies for modern slavery in the hotel industry. This covers topics such as third-party contractors, construction, procurement, and forced prostitution. This is a members-only resource.

[Hospitality Compliance Checklist User Guide](#)

❖ Asian Labour Laws

Compare labour violations and domestic law in six Asian countries to see how countries deal differently with modern slavery. This is a members-only resource.

❖ Asia Pacific Banks Alliance: Whitepaper of Indicators

This paper is the first publication of the Asia Pacific Banks Alliance Against Modern Slavery, a collective of global banks coordinated by the Mekong Club and the Thomson Reuters Foundation. This paper outlines indicators of modern slavery, case studies, typologies, and recommendations for banks to strengthen their operations against modern slavery risk.

[APBA Whitepaper](#)

3. Assess and Mitigate Risk

Understand where the risk of modern slavery lies and how to mitigate it.

❖ Risk Assessment Heat Map

Conduct smarter supply chain management by using this interactive map of modern slavery risk, combining publicly available data and audit information only available to the Mekong Club. Visualising where the risk lies, by country, region, and commodity.

The beta-version of this tool is available to members.

❖ APPRISE and APPRISE AUDIT – Victim Identification App

APPRISE is an app that offers screening questionnaires in multiple languages. The app helps social compliance auditors, NGO workers and law enforcement to interview potential victims of modern slavery. This project is a collaboration with [UNU-CS](#).

[APPRISE Website](#)

❖ Remediation Toolkit

Equip your organisation with the right tools to address supply chain labour violations by using these guidelines. This toolkit covers preparation, communication, investigation, remedies, and legal action. This is a members-only resource.

[Remediation Toolkit User Guide](#)

❖ Profiling Risk: Countries & Commodities

Visualise the risk of modern slavery by country, using a combination of well-regarded data sources. This is a members-only resource.

❖ Modern Slavery Typologies for Financial Services

These typologies allow financial service professionals to understand typical modern slavery scenarios for a range of industries. The information provided includes a typical victim profile, methods of entrapment, and questions that bankers may ask to identify this activity. This is a free resource.

[Modern Slavery Typologies Report](#)

4. Develop Your Skills

Enhance your skills through continual training and development.

❖ Introductory Guide, Data, and Keywords for Banking

Read this guide to get an overview of the topic, the risks, and the emerging responses seen by financial service providers in the fight against slavery. This information is coupled with useful infographics that can be read and shared. This is a members-only resource.

❖ **Bank Training: Identifying Suspicious Activity**

Invite our experts in to train financial service staff on how to identify the risks of slavery. This training is tailored to the needs of the audience, ranging from frontline branch staff, to senior leadership, to risk and compliance training. This is free for all members, but we also do paid training for non-members.

[Bank Training Overview](#)

5. Become a Leader

Reach the forefront of the fight against modern slavery, leading the way for others in your industry to follow.

❖ **Best Practise Case Studies**

See profiles of companies that are leading the way in the fight against modern slavery by browsing out 'Best Practise' library. This is a members-only resource.

❖ **EndSlavery App**

Find out exactly how your actions are helping to save people from slavery with our points-based mobile app. This is a free resource.

[EndSlavery App Intro Video](#)

This app can be downloaded from the [Apple Store](#) or [Google Play](#).

❖ **eMin: Blockchain Technology**

eMin secures key worker documentation using blockchain technology, bringing greater trust, transparency and security to worker recruitment and social auditing. This project is a collaboration with [Diginex](#).

Visit the eMin website at: <http://www.eminproject.com/>
